The accommodation is arranged over three floors and comprises an entrance hallway with stairs to the first floor, a convenient downstairs WC and access into the spacious living room. The living room extends almost the full depth of the property and benefits from a large bay window to the front, flooding the room with natural light. Double doors open into the garden room, a wonderful sun trap that creates an excellent additional reception space and enjoys direct access to the rear garden through further double doors. Off the living room is the kitchen, fitted with a good range of wall and base units.

To the first floor is the family bathroom together with the principal bedroom, which benefits from a generously sized en suite shower room. The second floor provides two further good-sized double bedrooms, making the property ideal for families or those requiring additional space.

Externally, the property enjoys a surprisingly large rear garden for Castletown centre, mainly laid to lawn and providing an excellent outdoor space for families and entertaining. The garden connects beautifully with the house through the garden room, creating a superb indoor and outdoor flow.
